Visit the Playgrounds!

The Parish Council manages and maintains 2 playgrounds. One at Kings Place which is in a delightful setting within Epping Forest. The other is on the Recreation Ground accessed from Roding Lane or Rous Road; close by is the Ball Court. Both playgrounds cater for children under 12 who should always be accompanied by a responsible adult for whom there is seating inside the playground or nearby. We hope that you enjoy and regularly visit.

The Recreation Ground was opened in 2008 and Kings Place in 2010. The general life of play equipment is about 15 years and the Council is already starting to put aside monies for the future and will also apply for grants. Having been well used over the years there has inevitably been damage and most regrettably vandalism, and repairs are required on a regular basis. So far this year we have spent £3,740 on repairs and maintenance. The playgrounds are regularly inspected and we are grateful to residents who let us know of day to day issues eg broken glass. If you have any concerns please contact us on 020 8498 9933 or email office@buckhursthillpc.gov.uk

Relocation Relocation

The Parish Office Team is temporarily being relocated while remedial works are carried out in the Library particularly in our current work area. The Library 'Self Service' will still operate with the Volunteers on Mondays and Wednesdays and a member of the Parish Office Team will also be on site on those days. Telephone and

email contact will remain unchanged. If you do need to see someone from the Team particularly on Tuesday or Thursday it would be advisable to make an appointment to avoid a wasted journey. We seek to keep our service disruption to a minimum and thank you for your patience and understanding.

The Council is considering a replacement for the playground that was accessed from **Hornbeam Road**. It may be in a different area but will definitely be for recreational purposes and doesn't have to be for children.

We'd be grateful for your thoughts and comments as to what we could do for the future in providing an additional amenity.

From the Chairman

I am delighted to report that for the fifth year running the Parish Council has been able to freeze the precept. Councillors recently unanimously agreed to do this meaning that the Parish Council's share of a Band D Council Tax Bill remains unchanged at £68.89.

We also recently followed-up on the new Police & Crime Commissioner's stated aim of providing a Police Special Constable in every community in Essex by writing to him and "putting down our marker". To our delight, we were contacted shortly afterwards by Essex Police who expressed their interest in talking to us about recruiting a "Special" for Buckhurst Hill. As a consequence, we had a meeting with Essex Police who told us that as a result of our perseverance, they will be looking at delivering a "Special" in Buckhurst Hill as one of the first group of Parishes to be provided. They will be looking to recruit someone from the Buckhurst Hill community and have already asked if we would assist in the recruitment process; naturally we said that we would. We will make more information available on this as soon as we can.

Everyone would agree that speeding traffic is both prolific on our local roads and is having a detrimental impact on Buckhurst Hill. We constantly lobby Essex Police and other agencies for the introduction of various traffic calming measures and will continue to do so but, in parallel to our endeavours, we are also in the process of setting-up a SpeedWatch scheme here in Buckhurst Hill. So if you can spare a few hours on a regular basis, why not volunteer to be part of our SpeedWatch team. If you would like to help on want more information contact us on 020 8498 9933 or email to office@buckhursthillpc.gov.uk.

The 2016 Christmas in Queens Road event was a big success. Once again hundreds of people turned up to witness the switching on of the lights and to enjoy all the festivities taking place. You can see the photographs inside the back page. I would like to take this opportunity to thank both the Buckhurst Hill Residents' Society and the Buckhurst Hill Village Forum, our partners in staging this event, for all their

Recreation and Community Committee

I have chaired this Committee for approximately 8 months and have greatly enjoyed the focus of our work.

The Committee has 8 members with my Vice Chairman being Cllr Glenys Reynolds.

Typically, our agenda includes an item that invites Public Participation whereby any resident who wishes to raise an issue in Buckhurst Hill or merely wishes to take an interest can do so. We allocate 15 minutes for this item allowing 3 minutes for each speaker.

We note letters from the public and communications with and maybe create an agenda item at a future meeting if it is deemed by the Committee.

We are careful to scrutinise our budget

and ensure that our community activities lay within our budget.

The items we discuss thereof are:

- Recreational Areas
- Playgrounds and their maintenance and safety
- Open Spaces such as the Open Spaces, the parks and planting in Queens Road
- General Amenities for example update on Benches, Bus Shelters, Planters and Salt Bins
- Buckhurst Hill has 5 Allotment sites which are enthusiastically well kept and unique to each individual who gains pleasure from their allotment.
- Our Community Cinema is a favourite

with families which is shown at Roding Valley Hall. A film for children in the afternoon on a Saturday and one for the adults in the evening. It is well received.

Other items are up for discussion depending on the time of year, for example Carols at Christmas, Christmas events in Queens Road and we often combine with the Residents' Society for these events.

I very much enjoy chairing the Recreation and Community Committee as it has a focus on all residents of Buckhurst Hill and we very much would like anyone with new ideas for Community events to let us know via the Parish Council Office in Buckhurst Hill Library.

Cllr Jo Share-Bernia

From the Chairman cont'd

respective efforts in helping to make the event a success.

You will also note that on April 22nd we will be staging another one of our Community Cinema events, where we will be showing "The Jungle Book" at 3pm in the afternoon and "The Lady in the Van" at 7pm in the evening. Tickets are available by emailing the Parish Office on film@buckhursthillpc.gov.uk or by telephone on 020-8498-9933. Viewing is free to Buckhurst Hill residents and their children.

Finally, may I take this opportunity, on behalf of the whole Parish Council, to wish all residents a Happy Easter and look forward to writing to you again in our Summer edition.

From the Clerk

Spring is the time of year when the garden comes to life and you think about all the jobs to be done; the grass cutting, the pruning, hedge trimming, weeding etc. So it is for us in the Parish Council Office. It's the time of year that we review the tasks we have over the year ahead, start planning our approach to each task and then delivering on them.

We will be progressing more work on the Neighbourhood Plan from now through the spring and summer, as well as setting up a SpeedWatch scheme for Buckhurst Hill and the launch of a new Website. We also have the Parish Assembly and Annual Council in May to plan for as well as our Community Cinemas in April, the Older Persons Forum/Winter Warmers event plus the 2017 "Christmas in Queens Road" and other Christmassy events in November and December. When you factor in our day-to-day routine jobs, there's quite a lot of work for us to cover over the next twelve months.

More recently, there have also been some encouraging developments on the possibility of acquiring the services of a Special Constable for Buckhurst Hill. This is covered in more detail in the Chairman's report.

Finally, may I wish everyone a really happy Easter and hope that we will have a really sunny springtime.

News from Epping Forest District Council – Cllr Steven Neville

Since I wrote last the Local Plan consultation has concluded. There were numerous responses from Buckhurst Hill, no doubt due to publicity and heavy leafleting in the areas affected. There was a well-attended public meeting at the library put on by the Parish Council where over a hundred people came to make their point of view known to councillors. I am working hard to see what changes can be made before final submission.

Other items that I am also working on are detailed below. Since the last magazine a motion went to Full Council at Essex County Council regarding reversing the changes as to who would be let in to the waste disposal site in Luxborough Lane, amongst other sites across the county. This was voted down. So in the near future, at least, we are stuck with the changes.

One issue that comes up time and time again is parking. When the original parking review in 2006 happened in Buckhurst Hill, Walnut Way and Station Way were left out and suffered with commuter parking. In the last review restrictions were brought in which cleared the commuter parking but which were unpopular with a number of residents due to the timings of the restrictions. However changes are soon to happen which will give more flexibility to residents and the shops. A consultation has to happen first but it will almost certainly take place. Blackmore Road also has problems at its junction with Loughton Way with people parking at the junction and making it dangerous. The Portfolio Holder at EFDC is hopeful this will be considered by the North Essex Parking Partnership meeting in October. Lower Queens Road, at the very top, is having parking restrictions brought in to allow residents a better chance of getting a place to park. This initially left people in Sycamore House but it is understood that they are to be included. Beyond that is the problem further down the road with commuters parking and right at the bottom, and in the roads nearby such as The Windsors and Cascade Road which is a problem to do with parking around school opening and closing times. This is not an easy problem to solve as 80% support is needed for any parking restrictions that are brought in and whilst I might get that in an individual road to support a parking scheme I would not get the entire estate to agree to one which makes life difficult. I am looking to other ways of addressing these problems. I'm currently getting the path between Hornbeam Close and Lower Queens Road resurfaced in order for people more people to walk their children to school and am looking into other solutions into how to make life easier for the residents around these times. As the spring starts to appear I appeal to parents to try and walk your children to school if you do not already.

News from County Cllr Valerie Metcalfe

Thank you so much to all of you who returned my last survey asking you about which issues locally concern you most. There were a number of varying responses, all of which I have taken on board, but some were District Council related, which I have passed on. A number were really matters which the police should be addressing I know they are trying to increase their local community policing

The majority of my post box issues are Highways related – one of which concerns drivers speeding along our roads at all times of the day and night. This particularly applies in Buckhurst Way where I have commissioned a speed survey but also amongst others along Loughton Way and Forest Edge. I have asked our community police to give this some attention.

There is an increasing appetite for more residents' parking schemes or restricted parking and I have regular meetings with our local Highways Liaison Officer to discuss what can be done to ameliorate our problems. I am actively involved in plans for Stradbroke Grove, The Meadway and Amberley Road but as soon as one plan is pursued then other roads also need protecting, such as Palace Gardens or Scotland Road. I am also trying to change the current regulations regarding dropped kerbs for roads such as Walnut Way or Princes Road to help residents park their cars off the roads.

Please continue to let me have your views on matters which concern you – I need to know what you think, even if I can't always give you the answers you want.

From District Cllr Gavin Chambers

Dear Resident,

I cannot believe it's almost a year since you re-elected me for a second term on Epping Forest District Council. I can't believe it's over four years since I was Chairman of the Parish Council. I am pleased to report the new Parish Chairman, councillors and let's not forget the staff are doing a terrific job.

I have been extremely busy getting on with the district job. I am now Chairman of planning in the south and Chairman of the standards board.

I have also been made a representative of a new group called Epping Forest Local Liaison group. If you have any issues about Knighton Wood / Lords Bushes or any part of the forest please let me know. I am pleased to tell you I have already supported consultation from the City of London on how we mange deer in the forest.

I want to hear from residents on the best way forward. Contact me directly on Gavin.chambers@chambers-training.com

Best Wishes, Cllr Gavin Chambers (Buckhurst Hill West)

susperting business & residents

Buckhurst Hill Village Forum

Most of us would say we want our village centre to be a vibrant and bustling place, with lots of little shops for browsing, places to sit, have coffee and watch the world go by, as well

as have enough variety of shops that there is little need to go anywhere else to get what we want. With over 100 shopfronts on Queens Road alone, our area has a huge potential to be an even greater place to visit, to shop and to live in, becoming a more enviable enclave on the Central Line than it already is!

But we know it can be better. Each year for the past few years, we've seen too many businesses close, faced with the prospect of steep rents and ever-increasing business rates. The Buckhurst Hill Village Forum is working with local businesses and Epping Forest District Council to do what we can to improve our area but you can help too – simply by going out of your way to use the businesses we already have in order to attract further investment in our high street.

If you want to protect the unique and independent character we have, make an effort to go into shops you might not have visited before, get to know the business owners that make up this community. Walk to your local shops instead and check what you need isn't already here instead of driving to Westfield. You will be pleasantly surprised if you try!

And think: if we don't use what we have, we'll lose it, and that will be the greatest shame. Don't let BH become a village full of shuttered shopfronts.

BUCKHURST HILLHORTICULTURAL SOCIETY

As winter is coming to an end we look back at the enjoyable series of talks we have had, and look forward to our Shows. The first two will be the

SPRING SHOW 8th APRIL

and then the

SUMMER SHOW 8th JULY

Details for both as follows: Time 2.00-4.30 Venue: Centenary Hall, St. John's Church, High Road, Buckhurst Hill Free entry to members, £1-00 for non-members Good Parking Facilities.

Teas, home-made cakes, plants for sale, stall selling a variety of garden sundries. All visitors welcome.

There is always a wonderful display of flowers, shrubs, fruits, flower arrangements, cookery and children's classes. In the Spring Show the daffodils take centre stage, and in the Summer Show the sweet peas fill the room with their wonderful perfume.

We are always ready and willing to give help and advice to any horticultural problems you may have.

We look forward to seeing you at one or both of our shows. Let's hope we have a good growing season again this year.

This year's **Parish Assembly** will take place on THURSDAY 11 MAY at 7.00pm

in the Library

It isn't a council meeting but is a more relaxed meeting for local residents; an opportunity to meet councillors, ask questions and even put forward ideas for future projects. Local organisations are invited to give reports on their activities and we hope to have a speaker from Carers UK, the Chairman's Charity for this year.

Further details will be available on the website and notice boards nearer the time.

All residents are welcome and we look forward to meeting you.

On Tuesday 16th January, 125 ladies gathered at the Chabad Jewish Community Centre for a Cancer Awareness and Fundraising Dinner. The evening was a partnership between Chai Cancer Care and Chabad Buckhurst Hill to both raise money for both charities and awareness of their services. Chai is a charity that helps individuals and families, suffering with cancer, to feel cared for and never simply left alone.

Chabad Buckhurst Hill was magically transformed into a stunning banqueting suite by a dedicated team of local volunteers and after the meal, which was all prepared in-house, guests were enthralled by Louise Hager, Chair of Chai Cancer Care, who inspired the diners with her work, enlightening many who were unaware that there was such a professional service within the community, not only for those suffering with cancer but for their families too. A young harpist, 14 year old daughter Chanale of Rabbi & Mrs Brackman of Chabad Oxford, entertained the crowd with her amazing talents. A raffle helped raise money for the two charities with all prizes also being donated by local supporters.

Chai means life and it is clear that Chai Cancer Care is an outstanding example of where Jewish values can combine with the latest medical advances to enable hope; this is also the spiritual message that is conveyed by Chabad making for a perfect partnership. The evening was in tribute to the late mother of Mrs Henny Brandman, who passed away from cancer 3 years ago and was a shining example to all of what dedication to community means.

Rabbi Brandman stated that the evening was "the greatest example of where Jewish values can really make a difference", and is proud that Buckhurst Hill Chabad is at the heart of the local community. Chabad runs events throughout the year, and a look at their website – www.chabadonthehill.co.uk – will give you all the details.

Royal British Legion, Buckhurst Hill branch

In July 2015 the Royal British Legion branch in Buckhurst Hill sponsored a walk that two of its members attended: one in the event and one supporting our member Jeff Curd along with three friends. One of whom he had served with took on the Gurkha endurance walk. This was to support the Gurkha Welfare Trust that the branch has close links with. The challenge was to walk 60 miles across the South Downs in 30 hours. Out of the four in the team three finished, one had to retire due to injury. Overall the team raised over £2000 that went to support the Gurkhas and their families, and it was a great honour to have completed the challenge. Each member that completed the course was given a pashmina scarf as a mark of respect and a medal. The local branch helped support this.

This year the Royal British Legion in Buckhurst Hill is supporting another charity walk and this time Jeff supported again by his wife Janice, both members of our branch, have got together 2 teams – one raising funds for the Royal British Legion to support our servicemen and women along with their families, and the other team will be raising funds for Kidney Research. In this team will be Jamie Osman who had a kidney transplant last year and his uncle who donated it, you can read their story on the site below. Jamie is a local resident. Both teams will be taking on this challenge together and will be travelling to France at their own expense so that every penny raised goes to the charities. They will be walking 60 miles from Ranville to Carentan along the D Day beaches between 2 and 6 June 2017.

Please support them in this event; below are the details for both charities and also the web address for the Royal British Legion in Buckhurst Hill who are always looking for new members so that we can do further fund raising events.

Pedal for The J's is back

On Sunday 30th April, Chelmsford's annual cycle ride, Pedal for The J's, returns to Admirals Park with a new route that even the youngest cyclist can enjoy.

It is the eighth year of this popular event and cyclists have a choice of four rides – 15, 35 and 50 miles through the beautiful Essex countryside plus a new 2 mile Pedal in the Park ride – so there is a route for everyone.

Pedal for The J's is organised by The J's Hospice charity which supports young adults with life-limiting conditions and their families in Chelmsford and across Essex, in the comfort of their own homes.

The charity added the new 2 mile ride for families with younger children. Events Manager Jessica Dellow explained: "Families love taking part in Pedal for The J's and our exciting new Pedal in the Park means that smaller children don't miss out on the fun! They can get on their bikes, trikes or scooters and enjoy a safe route with their parents through Admiral's Park to Central Park and then back again."

Around 1,000 cyclists are expected to take part. Staff at The J's Hospice are delighted that Beaulieu – the exciting new development on the outskirts of Chelmsford by Countryside and L&Q – has agreed to be the headline sponsor for Pedal for The J's for the third time.

Jessica added: "Thank you to everyone at Beaulieu for their fantastic support for Pedal for The J's and also to everyone who has taken part over the years and raised so much money in donations and sponsorship. We hope that, with the new Pedal in the Park, this year's event will be an even bigger success!"

Registration for the 15, 35 and 50 mile routes and the 2 mile Pedal in the Park is open now – go to www.thejshospice.org.uk for more information.

BH Residents' Society

Recently Buckhurst Hill was considered by The Times to be one of the top 10 places to live for commuting into London. It could mean more people trying to move into the area putting more value on our homes but it could also get a bit crowded. A real dilemma! There's nothing like an endorsement from a national paper to spoil things!

After some time, whether you are applauding or cursing The Times, perhaps it's best to think about our hometown as it is right now...

Where else can you be 11 miles from Aldgate Pump and yet live a stone's throw from a forest?

On the one hand we have the West End shopping, theatres and exhibitions, a quick trip on the Central Line and that's it you're there. On the other of course, you can stay local and enjoy individual shops and services in a pretty road with super restaurants and a wide choice of schools, clubs and activities.

We're close to Stansted and city airports but not bothered by low flying aircraft!

Really there is no surprise that Buckhurst Hill is so popular – but let's keep a protective eye on things.

Lords Bushes was protected from being built on by an act in 1878. It should be safe like the large open Roding Valley with its fishing lakes and paths but we also have Linders Field, given to Buckhurst Hill by Charles Linder in 1963 (the year the Society was formed). There are also many other little pockets of forest and open land free for us to enjoy and this is what prevents Buckhurst Hill from becoming an urban sprawl. These are Greenbelt and we'll always need to protect them. While we can totally understand why Buckhurst Hill is in the top 10, let's ensure it stays the lovely place it is!

As part of the 70th birthday celebrations of Buckhurst Hill Community Association, its centre at Bedford House in Westbury Road

will be getting a new look courtesy of Artist-in-Residence Oonagh Dawson. Oonagh will be concentrating both on the history of the House and on BHCA's long association with art and craft. Shortly to be set up are displays of archive material, sound installations featuring members' memories, and new displays of the work produced by current students, all culminating in a bigger-than-ever annual Summer Exhibition and fete on July 1st.

As always, all are welcome to come along to that, and also to drop in to Bedford House and see the results of Oonagh's work. Also you are invited to join one of the Association's regular classes or one-day workshops in a wide variety of subjects – for more information pick up BHCA's brochure at the library, phone 020 8504 6668, visit www.bedfordhouse.org.uk or email office@bedfordhouse.org

Emergency Care

Nothing quite prepares you for the call telling you a family member has been rushed into hospital. Hopefully they quickly recover and life gets back to normal. But sometimes your family member will need care, perhaps for the rest of their lives. How do you cope?

This is not professional advice but some pointers based on real life experience. Friends and colleagues in different parts of the country reported similar experiences. There was the simply outstanding assistance from the much maligned social services. At the other extreme a bank seemed intent on putting every obstacle in the way.

The most difficult immediate situation is where the person needs medical treatment but does not have the capacity to give consent. Generally the health professionals make the decisions, albeit seeking some insight from family members, unless your relative has made a living will or formally arranged for someone to have lasting power of attorney. The people with the lasting power of attorney can make decisions about your relative's health and care on their behalf.

The other area of difficulty is looking after the family member's property and finances. Often the simplest things present the greatest difficulty. Your relative's household bills still have to be paid but you won't be able to access their bank account. The bank will only accept

instructions from you if your relative has given you power of attorney. Even then it can take months as the bank will want to verify the power of attorney and verify your identity.

If the appropriate power of attorney is not in place your only option may be to apply to the Court of Protection to appoint a family member as a deputy so they may make decisions about your relative's personal welfare, property and financial affairs.

If the relative lived alone you need to consider the security of their property in their absence and it may be wise to contact the local police for advice.

So, at a time of emotional turmoil you easily find yourself dealing with the practicalities of arranging someone's future care and managing their finances while keeping on top of your other responsibilities. Some sources of help and advice are:

- The GP
- Employer if relative in employment
- Local authority social services
- www.citizens advice.org.uk
- Age UK
- www.gov.uk/power-of-attorney

This might be the time to make sure your family members know where to find contact details for your GP, bank and employer, and perhaps think about arranging powers of attorney. Just in case.
